

PRODUCT-DETAILS

# 16-90-DTP04

## 16MM HINGED CONNECTOR DEUTSCH POWER

| General Information    |                                                                                                                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended Product Type: | 16-90-DTP04                                                                                                                                                                                                                 |
| Product ID:            | 7TCA298010R0008                                                                                                                                                                                                             |
| EAN:                   | 5020963024344                                                                                                                                                                                                               |
| Catalog Description:   | 16MM HINGED CONNECTOR DEUTSCH POWER                                                                                                                                                                                         |
| Long Description:      | One Hole Snap Trap, Conduit Size NC25 x NC12, Length 20 Millimeters, Width 16 Millimeters, Operating Temperature -40 to 120 Degrees Celsius, RoHS Compliant, IP40 Rating, Very High UV Protection, Polyamide (Nylon), Black |
| Display Name:          | 16-90-DTP04                                                                                                                                                                                                                 |

| Additional Information |                                                                                              |
|------------------------|----------------------------------------------------------------------------------------------|
| Product Main Type:     | HARNESSFLEX FLEXIBLE CABLE PROTECTION                                                        |
| Application:           | "Act As Pull Outlets for Conductors that are Stiff, Due to Large Size or Type of Insulation" |

Ordering

|      |               |
|------|---------------|
| EAN: | 5020963024344 |
| UPC: | 786210255552  |

Technical

|                      |       |
|----------------------|-------|
| Number of Batteries: | 0     |
| Color:               | Black |

Environmental

|                   |                           |
|-------------------|---------------------------|
| WEEE Category:    | Product Not in WEEE Scope |
| RoHS Information: | No declaration needed     |

Container Information

|                                 |                 |
|---------------------------------|-----------------|
| Package Level 1 Units:          | 2000 piece      |
| Package Level 1 EAN:            | 5020963024344   |
| Package Level 1 Height:         | 14 in<br>356 mm |
| Package Level 1 Depth / Length: | 13 in<br>330 mm |
| Package Level 1 Width:          | 14 in<br>356 mm |

Certificates and Declarations

|                                 |                 |
|---------------------------------|-----------------|
| Declaration of Conformity - CE: | 9AKK107492A9616 |
| RoHS Declaration:               | 9AKK107992A8994 |
| REACH Declaration:              | 9AKK107992A8994 |

External Classifications and Standards

|         |          |
